Past Commanders Annual Breakfast Will Be Held Here

Post Commanders and Past Commanders of the American Legion, Veterans of Foreign Wars and Disabled American Veterans in Milam County will meet in Cameron for their Annual Armistice Day breakfast, Friday, November 11.

The breakfast to be given at 7:30 a. m. in the up-stairs dining room of the Corner Cafe in Cameron is an annual event preceding the Armistice Day program. The breakfast is held alternately in Milam County cities.

Following the breakfast Commanders will return to their respective homes where Armistice Day programs are to be held or will remain in Cameron for the program here.

Cameron Has Her Unknown Soldier; Armistice Day Is Day For Recognition

When President Truman places a wreath on the tomb of the unknown soldier in Arlington National cemetery it is the cue for similar expressions of sentiment throughout the country.

It would be a wholesome summation of the revered dead if on this Armistice Day in 1949 Veterans would establish a precedent of decorating the graves of the war dead. It is especially important that the graves of the unknown be decorated.

This newspaper appreciates a telephone call today from L. A. Meyers of Houston, a native of Cameron, brother of Miss Lalla Meyers and son of the late Mr. and Mrs. Lou Meyers. He called the attention to the grave of an unknown soldier of an early war in the old cemetery on the river road. In this old cemetery are buried many who made history in this area and too little attention has been paid to this old burial plot.

Unless immediate steps are taken gravel haulers may soon cut into some of the graves. Steps should be taken at once to protect this old burial site and to bring it under proper care in relation to the devotion it merits, as a place where heroes sleep.

Waited Eight Years For A Salamander; Frank Hanel Takes Rare Species Here

Good things come to those who wait. After waiting eight years Prof. Bryce C. Brown, curator of Baylor University's Strecker Museum finally received a long-awaited package.

In 1941, Brown, then a student at the University of Texas, heard of a pond near Cameron containing huge quantities of larvae of the Tiger Salamander. Anxious to obtain some adult specimens of this type of salamander, he contacted Frank Hanel of Cameron and waited for this specimen to arrive.

Years passed and Brown entered the service. He came to Baylor and in October, 1949, he was still waiting. Then, word came that a package from Cameron had arrived for him at the post office, and upon opening the package Professor Brown discovered, in a bed of peat moss, his long-awaited salamander.

Professor Brown had been very anxious to receive this specimen for these salamanders are rapidly becoming extinct through the Eastern part of Texas. This is due to ponds being stocked with larvae-eating fish.

This specimen from Cameron, according to Professor Brown, is more than likely an intergrade of the two related East and West populations. Central Texas is practically the dividing line between these two merging populations.

Two Men Released In Night Club Knife Slaying; One Is Free

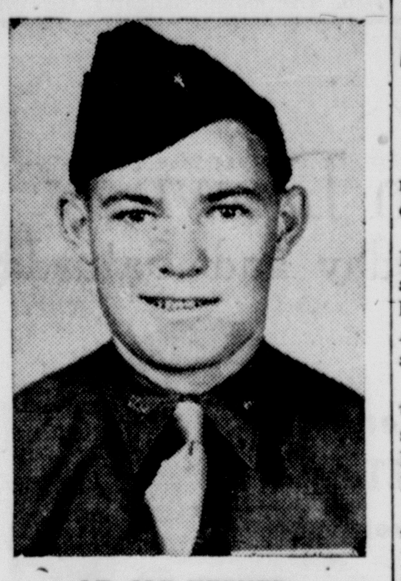
Elvin Morrison has been released from jail on bond in the sum of $2750.00 in connection with the recent slaying of C. N. Knight at a night club near Milano.

He is charged with murder in connection with the knife slaying of Knight and also charged with assault with intent to murder Wayne Lawrence in the same fight.

Crump Morrison, brother of Elvin, was released and is not being charged in connection with the slaying.

Knight, member of the Air Forces of the army, was home on leave.

Bond was made after a hearing in Justice Crane's court in Rockdale. The case will go to the Grand Jury due to convene here in November.



LT. JOE HEBNER

REBURIAL HERE FOR LIEUT. JOE HEBNER

Reburial services are scheduled here for Lieut. Joseph J. Hebner, Jr., United States Army Air Corps, Navigator, who was killed in action on his first combat mission over the Baltic sea off the coast of Germany on August 4, 1944.

Mr. and Mrs. Joseph J. Hibner, Sr., of 418 Karnes Avenue, have received a letter under date of November 2, from Colonel W. E. Campbell, Memorial Division of the Army, outlining the long search for the body and its identification.

Here are extracts from the letter of Colonel Campbell: "The records of this office disclose that your son's plane crashed in the Baltic sea on 4 August 1944, about midway between Rostock., Germany and Laaland, Denmark. His remains were recovered at Karrebaekminde, Denmark and buried in the civilian cemetery there on 6 September, 1944.

Lt. Hebner was a graduate of Yoe High School, and spent three years in A&M college and Texas University before entering the Army Air Corps. He was 19 years of age when he was reported missing. He entered the service in February, 1943.

Surviving Lt. Hebner are his parents, Mr. and Mrs. Joseph J. Hebner, Sr. of Cameron and four sisters; Mrs. Anna Mae Boudreaux of Houston, Mrs. Frances Senkel of San Antonio, Mrs. Celia Hartnett of Galveston and Mrs. Agnes Wied of Cameron.

Pat Smith Narrowly Escaped Death In Truck Accident

Pat Smith narowly escaped death late Saturday night when the 1949 Ford dump truck he was driving went out of control on highway 79 three miles west of Milano.

Mr. Smith had been working at Hempstead and was returning to his home in Rockdale when the left front tire blew out causing him to lose control of the machine. A traveler saw the accident and helped Mr. Smith from the truck, taking him to Rockdale where he was treated for cuts and bruises about the head. The truck was completely demolished. Mr. Smith is the son of Mr. and Mrs. Ervin Smith of Rockdale.

2,000 Being Aided At Rehabilitation Centers in Texas

J. J. Brown of Austin, state director of vocatonal rehabilitation, said Monday 2,000 persons are being helped back to normal lives at 20 rehabilitation centers now operating in Texas.

He described work being carried on at the centers in an address before the National Rehabilitation Association convention.

Paul S. Barrett of Atlanta, president of the association, said the organization has helped 280,000 handicapped persons in the last six years.

"The federal government and the states, in helping the handicapped, have made it possible for them to increase their earnings almost a billion dollars," Barrett said. "And they paid federal income taxes of more than $70,000,000, during the last five years," he asserted.

"We figure that the average rehabilitant will repay the federal Treasurry in income taxes alone $10 for every single $1 Uncle Sam spends on his rehabilitation."

On Thursday, after the convention ends, 125 of the delegates will travel to Monterrey, Mexico, by car. A few of them will visit Mexico City.

ANNUAL OBSERVANCE ARMISTICE DAY HERE

Cameron will observe the 30th Anniversary of Armistice Day on Friday, November 11.

The first celebration of Armistice Day was held in Cameron in 1919, and the Armistice Day dinner was held in 1920. Since that time the American Legion has sponsored the annual celebration.

In recent years the expense of a turkey dinner has been met by the sale of tickets to the general public. This year Post Commander John Muse distributed 500 tickets for sale.

Commander Muse and his committee have retained the Simon-George Recreation Building of St. Monica's Catholic Church for the festivties of the day. The Milam Coffee Shop has the contract to prepare the dinner.

The program for the day will follow the usual pattern. There will be a brief period of silence at 11:00 a. m. in commemoration of the time when the thunder of big guns ceased on the Western Front.

The Veterans attended Church in a body last Sunday at First Christian Church.

Senator Red Harris of Dallas will deliver the principal address to the veterans and their guests Friday.

The usual Legion dance will not be held due to the fact that the Cameron-Rosebud football game will be played on Armistice night in Rosebud.

YOEMEN STILL HAVE CHANCE AT TITLE

How will District 21-A Champion be decided in case Cameron wins a tie from Rosebud?

Under League rule a play off is required. In other days the District committee named a champion and in most cases the stronger team to represent the district in Bi-district, and regional play. Under present rules when two teams tie they have to play another game.

If Cameron can defeat Rosebud Friday night, then the teams will be tied for first place with a game loss each. If they should play a tie game Rosebud would be the winner with a half game loss, whereas Cameron has already lost to Belton a full game.

From this situation it can be seen that Cameron is still definately in the running, but considerably up-hill effort will be necessary because to win the District title Cameron would have to take both games.

The Yoemen went back to work with a vengance Monday morning, knowing full well what their task is. They lost the game to Belton while being a better team than the Tigers and the score should have been 20-14. Bad breaks are a part of the game and must be taken by every ball club.

The Belton line was the best the Yoemen have met this year. The Rosebud back field will be the best they have met this year. The Rosebud team also has a whale of a good line but the Yoemen should weight heavily in the balances with passing.

Tickets On Sale Here Wednesday For Cameron-Rosebud

Tickets for the Cameron-Rosebud District 21-A game Friday night will be placed on sale at the Chamber of Commerce and at the school Wednesday Morning.

S. M. Layfield of the high school faculty here said Superintendent L. A. Holmes of Rosebud will send all general admission tickets available and approximately 100 reserve seat tickets. Student tickets will be on sale at the school, at 30c each. General admission tickets will sell for 80c. The reserve tickets at $1.00 each are for chairs only to be placed on the sidelines. Tickets will be on sale until Friday at noon.

Crash Kills Pilot From Waco Base

An air force T-6 training plane crasher a mile east of Bynum Monday, killing the pilot.

The plane had no other occupants. It was from Connally Air Force Base at Waco.

Bynum is about eight miles east of Hillsboro.

Friends will regret to learn Mrs. Frank Varner of Gause is a medical patient in Newton Memorial Hospital.

JORDON GETS FIVE YEARS

AMENDMENTS ARE DEFEATED HERE

TEXAS CROP 5,000,000 BALES

GAUSE MAN CONVICTED FOR KILLING NEGRO

Selection of a jury of 12 men to try Giles Jordan, 45 year old white man of Gause was begun in District Court here Monday morning.

A special Venire of 125 men was being exhausted and when the court adjourned Monday night only 5 jurors had been selected. They were: R. M. Shavers, Joe Campbell, C. K. Cummings, F. M. Mullinax, Carlton Anner.

Jordan is charged by indictment for the murder of Ferrias Ferguson in July of this year. The indictment charged that Jordan killed the negro with malice aforethought.

The negro was shot to death on the main street of Gause as he emerged from the J. A. Ely Store with ice and groceries. The negro was employed with the Missouri Pacific Section gang and was preparing to go to work for the day. There were a number of witnesses to the slaying.

Jordan is represented by Camp & Camp and the State is represented by County Attorney Ed Gunn.

During the day of Monday and forenoon Tuesday many of the prospective jurors disqualified themselves on the ground they were familiar with the facts in the case the majority having read accounts of the killing in this newspaper.

Giles Jordan, 45, year old Gause white man was given five years in Texas prison around 11:30 a. m. Tuesday in District Court for the murder of Ferrias Ferguson, Gause negro in July.

Attorneys for Jordan announced shortly before completion of the jury panel that they would submit a plea of guilty through their client and it was understood the five years was agreed upon between Attorneys and State.

Accordingly Jordan entered a formal plea of guilty and was sentenced to five years in prison.

The case did not enter the evidence stage as no witnesses were heard.

MRS. ROY HIGHTOWER DIED WEDNESDAY

Mrs. Roy Hightower, 58, died at 3:30 a. m. Wednesday, November 9, 1949 in St. Edwards Hospital at Cameron.

Mrs. Hightower was a native of Mlam County, born on January 12, 1891 in the Walkers Creek Community where she had lived all her life. Mrs. Hightower had been ill for months and was under treatment at the hospital at the time of her death.

Funeral services were to be held at 2:30 p. m. Thursday, November 10 from the Walkers Creek Baptist Church by Rev. Levi Price, Pastor of First Baptist Church, Coleman. Interment in the historic Walkers Creek cemetery with Green's Funeral Home in Cameron directing arrangements.

The body will be at the family residence at Walkers Creek until the funeral hour on Thursday.

Mrs. Hightower had been a member of the Walkers Creek Baptist Church since 1905 and as a tribute to her faithful service she had served as president of the Walkers Creek Women's Missionary Union for the past 37 years.

She was married to Roy Hightower of the Walkers Creek Community on December 12, 1909. Friends here and in the Walkers Creek Community were deeply shocked over the news of her death, altho she had been critically ill for some time .

Surviving are her husband, Roy Hightower of Walkers Creek; two brothers, Roger Delahunty of Walkers Creek and John Delahunty of San Angelo; one sister, Mrs. John Hause of Cameron.

Also surviving are four nieces and two nephews.

Mrs. Truett Chambers visited her parents in Freeport over the week end.

SLIM CHANCE ANY AMENDMENTS PASS

Complete returns from 40 of Milam County voting precincts were being tabulated Wednesday by Miss Bessie Dunham, Chief Clerk in the Office of Homer Nabours, County Clerk.

No totals were available for publication this morning but were due to be made during the day.

It appeared certain that the voters of Milam County, exercising rare intelligence, had voted down every amendment on the ballot. Chief object of the voters wrath was No. 2 proposing to increase salaries of members of the Legislature and to provide for continuous sessions.

Chance that any of the Amendments would survive in the State at large were uncertain. It appeared on the face of early returns that two minor propositions would get by. The Democrats swept every election throughout the Nation, winning New York State where Herbert H. Lehman defeated John Foster Dulles, the Republican.

NEGROES ARE JAILED AFTER GANG FIGHT

Six Cameron negroes were involved in a gang fight following a football game in Hearne Friday night.

The Cameron team went to Hearne to play the team there. The fight did not occur during the game. It was after the Cameron negroes visited a beer tavern that the fight started.

According to officers here Levi Green and J. C. Bailey of Cameron and four other negroes were injured.

The Cameron negroes went to the Tom Tyler beer saloon in Hearne following the game and there met a number of Hearne negroes. Officers said both sides in the fight had been drinking. In an argument Levi Green was shot in the left leg. He was rushed to Cameron in a car and is now in Newton Memorial Hospital.

J. C. Bailey was cut on the head in the fight. Sheriff Carl Black placed three negroes here in jail and Sheriff Bob Reeves of Robertson county placed eight Hearne negroes in jail.

Taso Dorsey, Cameron negro, took a 45 callibre pistol from a Hearne negro. The gun is now held by Sheriff Black.

J. C. LAYWELL RITES AT WALKERS CREEK

Funeral services for J. C. Layfield, 70, former resident here, were to be held at 4 p. m. Monday, November 7 from the chapel of the Marek-Burns Funeral Home in Cameron by Rev. V. M. Cloyd, pastor Brook Avenue Baptist Church in Waco.

Interment in Walkers Creek Cemetery with the Marek-Burns Funeral Home directing arrangements.

Mr. Laywell died Sunday, November 6 at 6 p. m. at his home in Waco following a heart attack. He moved to Waco from his old home in Cameron 8 years ago.

Surviving are his widow Mrs. Mary Loyd Laywell of Waco; four sons Jimmy Laywell of Waco, T. P. Laywell of Houston, Reynold Laywell of Cameron and Henry Laywell of Waco; two daughters Mrs. Eunice Van Sickle, La Texo, Texas and Mrs. Sible Smith of Tyler; two brothers and two sisters as follows: S. C. Laywell of Maples, Texas and Frank M. Laywell of Los Angeles, California; Mrs. R. J. Griffin, Cameron and Mrs. Mary McGee of Cameron. Twelve grand children and 3 great grand children also survive.

Fifteen of the Cameron Garden Club attended the Gregory-Conway lecture on flower arrangement, under the auspices of the Temple Garden Club in Temple.

U. S. COTTON CROP LARGEST SINCE 1937

WASHINGTON, Nov. 8—The Agriculture Department, in its semi-final report of the year, today estimated the cotton crop at 15,524,000 bales of 500 pounds gross weight.

The new estimate made this year's crop the largest since 1937 and the seventh largest on record.

The figure is 78,000 bales more than the 15,446,000 forecast a month ago. It compares with 14,868,000 last year and a 10-year (1937-47) average of 11,306,000.

The indicated crop is considerable larger than expected market demands. This situation has led the department to propose rigid marketing quotas on the 1950 crop designed to limit production to about 12,000,000 bales.

The quota proposal will be submitted to growers at a referendum to be held Dec. 15. It must be approved by at least two-thirds of the growers voting before it can be put into effect .

The yield of cotton to the acre was estimated to average 287.6 pounds, compared with 313.1 last year and 254 for the 10-year average.

Production of American-Egyptian cotton was estimated at 4,900 bales compared with 3,600 last year and the 10-year average of 29,500.

In an accompanying report, the Census Bureau said 9,543,686 bales of this year's crop had been ginned prior to Nov. 1. This number compared with 10,436,740 ginned to the same date last year.

The indicated yield per acre and production, respectively, by cotton producing states included:

Missouri 430 pounds per acre and production 480,000 bales; Virginia 300 and 20,000; North Carolina 266 and 450,000; South Carolina 219 and 550,000; Georgia 196 and 595,000; Florida 185 and 17,000; Tennessee 388 and 650,000; Alabama 231 and 845,000; Missouri 259 and 1,470,000; Arkansas 328 and 1,630,000; Louisiana 289 and 625,000; Oklahoma 224 and 540,000; Texas 261 and 5,600,000; New Mexico 402 and 261,000; Arizona 608 and 475,000; California 651 and 1,300,000; other states 406 and 16,000.

The Herald Plant Will Be Closed On Armistice Day

The plant of the Herald and Daily Midget will be closed Friday, November 11, in observance of Armistice Day.

No Daily will be published Friday. It has been the custom of this publication to close on Armistice Day since the first observance in 1919. The publishing plant will be open for business again on Saturday morning November 12.

CAROLYN BELT

Miss Belt is the attractive daughter of Mr. and Mrs. Jim Belt and the frand daughter of Mr. and Mrs. Arthur Belt of Milano. In a recent campaign conducted by the Milano Chapter of Future Farmers of America, she was chosen as their Sweetheart for 1949 by a popular vote.

HOPE FOR WAY MAY OPEN FOR STRIKE END

WASHINGTON, Nov. 4—Federal Mediator Cyrus S. Ching held a two-hour parley with John L. Lewis today and then called Southern mine owners to meet in Washington on Monday in a drive to end the 47-day-old coal strike.

Coal operators from other sections of the country will be called later, Ching said.

In the steel strike, prospects for an early settlement remained uncertain.

Both Lewis and Chaing were silent on details of their long talk behind closed doors at the Statler Hotel.

Lewis stalked from the hotel with a half-smoked cigar between his fingers, and when newsmen flocked around him he said:

"I have nothing to say."

Ching would not comment on Lewis' reaction to his call for section-by-section conferences with the operators. He said he and Lewis "discussed all the angles."

The Federal mediation chief said that in his talks with the operators "we will explore their position, following the same tactics we did in steel, talking to various groups and companies."

"Then we'll go on from there," Ching said. "We'll be talking and pursuing this thing as long as there is any use."

These were the tactics Ching used in guilding the steel negotiations between the CIO's United Steelworkers and Bethlehem Steel, CIO President Phillip Murray contended it was achieved without government aid.

Ching made it clear that neither Lewis nor any union officials will take part in the talks with coal operators, at least in the early stages, He indicated he would keep in touch with Lewis by telephone in case a break develops.

MILAM THEATRE
SUNDAY AND MONDAY
November 13 and 14

Georgetown Eagles Take Taylor Ducks By Runaway Score

TAYLOR. Nov. 4—Georgtown won its first District 21-A game here tonight by running over the Taylor Ducks, 26-13, in a game that left star Taylor Quarterback Mozes Buzan with a knee injury that could keep him out of the rest of the games.

Georgetown piled up 20 first downs to 13 for Taylor and amassed 344 yards rushing to Taylor's 212.

In the second quarter, scoring began and Georgetown kicked it off when Dean Shaver tallied from the nine through guard. Max Barron kicked the goal.

Shortly afterward Taylor scored with A. C. Talley going around right end, treading the lane of the sidelines for 23 yards. He attempted to run the conversion but was held and Taylor trailed 6-7.

Georgetown sent Shaver back with the Taylor kickoff to the Taylor 30 and three plays later Shaver scored from the 10. Barron's kick was no good and Georgetown led 13-6.

As the second half opened Shaver went six yards around left end to cross the double stripe and Barron converted to make it 20-6.

Taylor came back with Talley going over right guard from the one. The kick was good, making the score 20-13 in favor of Georgetown, but that was all for Taylor. Buzan was injured on the play and never got back in the game.

Shaver went over guard from the six to make the last touchdown and the conversion was missed.

The crowd overflowed the stands and edged onto the playing field to make one of he largest groups of spectators recently at the Taylor Duck's field.

Mrs. Ruth Winchester has returned home after being ill in Newton Memorial Hospital.

MILD NORTHER WILL REACH CENTRAL TEXAS

Weather over the week end in central Texas will be cooler if an expected front breaks into Texas.

While central Texas was having brisk fall weather California was in the throes of a heat wave with as high as 97 degrees.

The weather over the week end will be clear and there will not be too much change in temperature. It should be a bit cooler by Sunday. North winds were blowing in the Fort Worth area Saturday morning, some 20 miles an hour. The barometer in Cameron was low and has been registering weather change for the last three days.

If you are planning a week end anywhere it appeared that you could expect good weather. No rain was in sight, only a slight increase in the cool air that has brought a pleasant change to this section.

Home Making Girls Observe FHA Week

In observance of F. H. A. Week, most Homemaking girls of Yoe High School took over home duties and relieved their mothers of the responsibilities for the entire week.

On Sunday each girl attended the church of her choice, and on Monday they observed the day by taking flowers to the hospitals in Cameron.

Tuesday they made preparations for the mother-daughter tea which was held on Wednesday to honor the mothers.

On Wednesday night a dance was held at the Gymnasium with FFA as guests and other high school boys being invited. Club Day was observed on Thursday and Friday and the girls became more familiar with the meaning of FHA.

Mrs. S. T. Nichols who was recently injured in a car accident and operated on in Waco is now in Newton Memorial Hospital and is reported improving nicely.

$260,000 BOND MADE BY CONVICTED REDS

America's eleven top Communists, convicted recently in New York, were released on bond in the United States Circuit Court, Thursday morning.

The court fixed the bond at $260,000 Government prosecutors had demanded the bond aggregate be fixed at least one million dollars.

The U S Civil Rights Congress supplied the bond. It was put up in government bonds in 5 thousand dollar stacks as the men who are convicted face prison sentences.

The bond was allowed when the case was appealed. The court held the men were entitled to bail since the case was on appeal.

The question of political freedom was not involved in the case. The men were convicted because, as the jury found, they had conspired to overthrow the government by force. A negro woman was foreman of the jury that convicted the Reds.

Mrs. Muston's Pear Preserves On Sale At Stores Saturday

For an adventure in good eating to-day we recommend Mrs. C. G. Muston's Pear Preserves, to be had in grocery stores in Cameron Saturday.

Mrs. Muston has her own recipe which has been tested by high authorities and since the recipe is her own secret the preserves are naturally unusual. They are cooked and packed at the farm home on Route 3 out of Cameron where they own a large pear orchard.

Since these preserves are to be placed on sale in the stores for the first time here, it would be a fine gesture on the part of the people to lend encouragement to what could become commercially important to this area.

10c Cup Of Coffee Has Short Run On Local Cafe Menus

Cameron's Coffee Urns, barometers for local commerce and kidney disorders, held the limelight briefly this week with the 10c cup, but the upsurge was short lived.

The 5c cup was back again Thursday. Only one cafe was selling coffee for 10c a cup. Several operators went to 10c, one to 7c but failed to hold the line.

The coffee situation is more serious than most people realize. There is an actual shortage of coffee, not just a storage hoard as some have suspected

It was freely predicted Thursday that coffee would "go under the counter," like cigarettes and bacon did during the war. In the meantime you can get a cup of colored water most any place for a nickle with weak cream and some sugar. A toe tingling slug of black coffee is worth 10 cents, barring the wear and tear on your filtering system.

Cecil Jr. and Cecile Tindall spent the past week end with their grand parents, Mr. and Mrs. H. C. Tindall. Sunday guests in the Tindall home were their children, Mr. and Mrs. Cecil Tindall and Mr. and Mrs. Louis Posey and son.

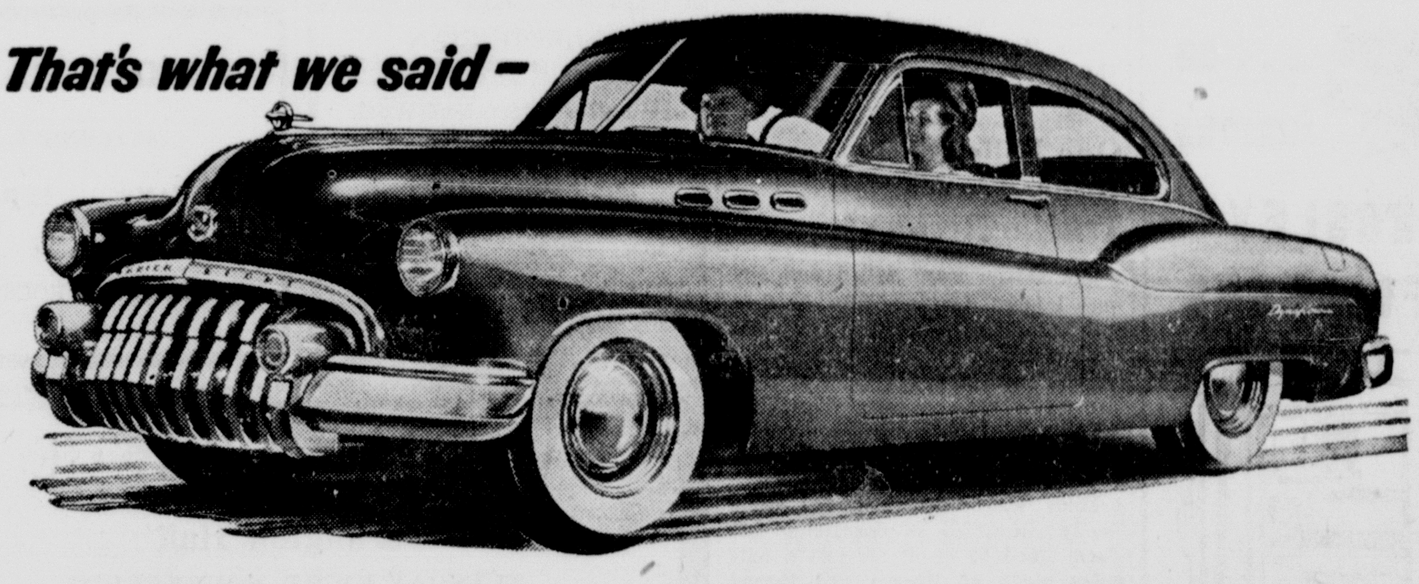
Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

That's what we said—



PRICED LIKE A SIX!

PARDON us if we appear persistent on one point.

But we still find people who look over this new Buick SPECIAL, admire its style, its room, its handy but impressive size, and say:

"It's wonderful! Too bad it's too rich for my blood!"

That's our point—*How do you know?*

Have you gone to *see* this car—and learn how very much there is in it?

Have you got the *actual delivered price figures*—including the equipment you want—and matched them against others?

Have you worked out down payment, trade-in, monthly installments? Have you weighed this against the longer period of years you'll be happier with this Buick—and Buick's established high level of resale values?

Some surprising things show up when you do this.

You find you can raise your standard of car travel—step up to Buick levels of style, comfort, handling, ride, power—more easily than you think.

You may even discover you can start enjoying the velvety luxury of Dynaflow Drive* right now instead of waiting until this revolutionary new principle spreads to others, as it's sure to do!

That's why we keep pointing out—*this wonderful valve-in-head straight-eight, with all its standout looks and qualities, is priced like a six! Actually lower than many.*

So *do* something about it, will you? Take a sharp pencil, see your Buick dealer, replace guesses with facts—and we think you'll see the light and place that order!

*Optional at extra cost.

TEN-STRIKE!
Only Buick SPECIAL has all these Features!

TRAFFIC-HANDY SIZE • MORE ROOM FOR THE MONEY • DYNAFLOW DRIVE optional at extra cost • JET-LINE STYLING • NON-LOCKING BUMPER-GUARD GRILLES • HIGH-PRESSURE FIREBALL STRAIGHT-EIGHT ENGINE • COIL SPRINGING ALL AROUND • LOW-PRESSURE TIRES ON SAFETY-RIDE RIMS • GREATER VISIBILITY FORE AND AFT • SELF-LOCKING LUGGAGE LIDS • STEADY-RIDING TORQUE-TUBE DRIVE • THREE SMART MODELS WITH BODY BY FISHER

From where I sit ... *by* Joe Marsh

Clam Chowder Can Be Dynamite!

If Smiley Roberts is a friend of yours, like he is mine, and if you want to keep his friendship, like I do, don't ever let him hear you say that good clam chowder can be made without cream.

In New England, where Smiley comes from, friendships have been broken over tomatoes versus cream in clam chowder. Experts say that south of Boston the tomato reigns supreme, but north of Boston it's cream—or else!

From where I sit, whether it should have cream or tomatoes is simply a matter of taste. This is plain to anyone who doesn't come from clam chowder country.

What a great world this would be if we could all see that most prejudices are matters of taste only. Some like hot coffee. Some like it iced. Some people like a temperate glass of beer. Others prefer ice-cold lemonade. My grandmother used to say, "Prejudice that sees only what it pleases, cannot see very plain."

Joe Marsh

MARLOW NEWS

The Brotherhood and the WMU of the Marlow Baptist Church held a meeting at the church Saturday evening. Jack Thompson is president of the Brotherhood and Mrs. Jack Thompson president of the WMU. The ladies served coffee and cake.

Watty McClaren a student at A&M College spent the week end visiting his parents.

Mr. and Mrs. Lane Stecher plan to entertain the Young People of the Marlow Church with a social at the home of Mr. and Mrs. Monroe White.

Mrs. Brant Smitherman of Calvert is a guest in the home of her daughter, Mr. and Mrs. Lee McClaren and family.

Mr. and Mrs. Griffin Burnett of Beaumont spent the week end visiting his parents, Mr. and Mrs. Theo. Burnett and other relatives in Marlow and Cameron.

Chester Hobson and Lawrence McClaren left Friday of the past week for a deer hunt in the Davis Mountains.

Lane and Lucille Stecher of Waco spent Sunday in the M. M. White home.

Guests in the Holly Hairston home Sunday was their daughter and husband of Waco.

Mr. and Mrs. Harold Hill and baby son who have been living in Cameron have moved to Houston where Mr. Hill is now employed. The Hill's have many friends in Cameron and Marlow.

One Killed, Five Injured in Centex Traffic Accidents

One person was killed and five were injured, two critically, in Central Texas traffic accidents over the week end.

Dead was Alex Miles, 59-year-old Hearne Negro.

Critically injured were John P. Castleman, 35, of Fort Worth, and Willie Jackson, Hearne Negro.

Miles was killed instantly when the car in which he was riding left Farm Road 50 about six and a half miles south of Hearne and turned over "about six times."

Jackson suffered a broken back in the same crash and was taken to McCloskey Hospital at Temple for treatment. He was reported in "very critical" condition last night.

Jerry Godfrey, Negro of Houston, suffered cuts and bruises in the Hearne crash and was treated at a Hearne clinic.

Castleman, injured about 9:30 p. m. Saturday when his motor-cycle and a car which did not stop collided on the Loop Highway, remained in "very grave" condition in Hillcrest Hospital last night.

Joe Rydell of Route 2, West, was also under treatment at Hillcrest. He suffered cuts and bruises and a possible concussion when his car left the highway and overturned near West about 2 a. m. Sunday. His condition was considerd serious, but not critical, hospital attendants said.

Pvt. H. L. Arnold of Connally Air Force Base suffered minor cuts and bruises when the motorbike he was riding and a truck driven by J. O. Cantrell Jr. of Route 9, collided in the 900 block of Elm Street about 7:30 p. m. Saturday.

CHRISTIAN SCIENCE SERVICES

"Mortals ond Immortals" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 13.

The Golden Text is: "They which are the children of the flesh, these are not the children of God" (Romans 9:8).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "That which is born of the flesh is flesh; and that which is born of the Spirit is spirit" (John 3:6).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The spiritual man's consciousness and individuality are reflections of God. They are the emanations of Him who is Life, Truth, and Love" (page 336).

The grub of the cockchafer is a titbit in France.

Bryan District Conference Held At Methodist Church

About 150 people attended the Bryan District Conference at the First Methodist Church Monday.

The meeting began at nine o'clock, with the business of the day consisting of reports given by the minsters of the district on the work being done in their churches.

The main speaker of the morning session was Dr. H. C. Tucker, a missionary in Brazil for over 60 years. He was presented by Rev. Eugene Slater, Chairman for the Advance For Christ and His church in the Texas Conference.

He told of the Advance program in the Texas Conference and that this conference had taken Brazil as a special project during the Advance.

Dr. Guy F. Jones, District Superintendent of the Houston District, brought the morning sermon.

The women of the church served a turkey dinner at the noon hour. During the afternoon committee meetings were held and reports were heard.

Mrs. Lillie Tucker and J. C. Mayfield Were Married November 4

Mrs. Lillie Tucker and J. C. Mayfield were married Thursday, November 3, 1949 at 7:00 o'clock in the First Methodist Church with Rev. Lee Lemons officiating.

Mrs. Tucker wore a tailored grey suit with black accessories. Those attending the wedding were: Mrs. W. P. McCall and daughter, Mrs. T. A. Right and Mrs. Kim Majors.

Following the ceremony the couple, and guests and Rev. and Mrs. Lee Lemons enjoyed coffee and cake at the home of Mrs. W. P. McCall, sister of Mrs. Mayfield.

Kirby Matthews Is Newest Buyer of Registered Jersey

COLUMBUS, O.,— Kirby Wayne Matthews, of Cameron has purchased one registered Jersey, Masterman's Poppy of L. H. The animal came from the herd owned by Lloid Henderson, of Schulenburg.

The purchase adds to the steadily growing number in this area. Dairymen buy Jerseys because of the high quality of the milk they produce.

Purebred Jerseys are registered by The American Jersey Cattle Club which has its national headquarters in Columbus, O. Several programs are available through The American Jersey Cattle Club to help breeders get the most profits from their Jerseys.

Emil Stalmach of Rogers was in Cameron on business the past Saturday.

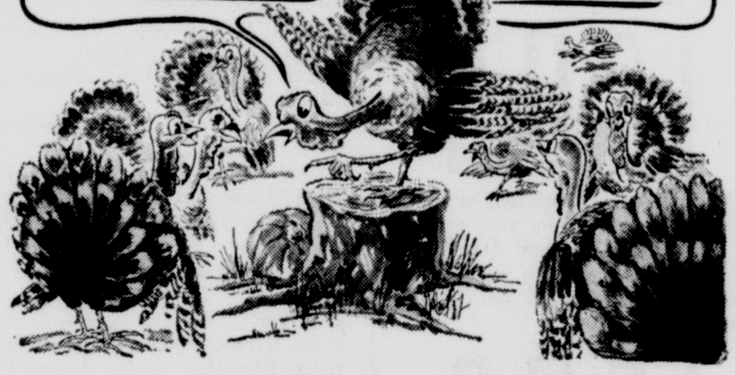
SO-O-O THIS THANKSGIVING INSIST ON ELECTRIC COOKING!



The Thanksgiving turkey may not be the wisest bird but it is a proven fact that only electric cooking can give you the quality in taste and tenderness you want for this all-important annual dinner. The accurate temperature control is your positive assurance that your dinner will cook with the same degree of heat from start to finish. This safeguard for better cooking cuts on and off automatically ... *cooks 40 minutes in each hour with the current off* because the electric range is so well insulated. Yes, ladies, to be absolutely sure of perfect cooking results, cook your Thanksgiving Dinner on an electric range ... *the modern method of cooking.*

Stop by your Electrical Dealer and see the beautiful new electric ranges.

Here's why *Electric Cooking* is better:

1. CLEANER ... doesn't smoke your pots and pans ... no soot or film to settle on your curtains, walls and cabinets.
2. COOLER ... cooking heat goes direct into the vessel ... not up or around the sides as ordinary flame method.
3. SAFER ... safe as your electric lights.
4. ECONOMICAL ... actually saves you money ... very small amount of food shrinkage because it's draftless cooking.
5. HEALTHIER ... retains the nutritious minerals and vitamins in the foods.
6. DEPENDABLE ... an ample supply of low-cost electricity always ready at the flip of a switch.

US Troops To Stay In Japan Many Years

WASHINGTON, Nov. 7 — The United States intends to keep troops in Japan for many years after the end of the Allied occupation .

Diplomatic authorities said that decision has been reached by officials who ,in trying to draw up a draft of a Japanese peace treaty, faced this tough problem.

How can Japan be given full political independence ,while still keeping some portection against a growing Communist menace in Asia?

With their decision on this and other touchy matters, State Department planners have reached an advance stae in their efforts to whip into shape a treaty of peace with the former enemy nation.

The next step must be consultation with Britain and other nations. United States planning has progressed far enough so that Secretary of State Acheson will be able to assure British Foreign Minister Bevin in Paris this week of U. S. readiness to start such talks in the near future.

E. C. Reed of Rogers is a patient at Newton Memorial Hospital.

Pee Wee Football Team At Gause Gets Sports Parade Play

Gause's Pee Wee football team has made the Radio Sports Review and thereby came into national prominence.

Some weeks ago this newspaper published a story made up of kids who didn't have uniforms or equipment. The boys, many of them never having seen a football game came out to play in overalls and sweat shirts. This was more than the good citizens could stand, so they sent Dixie Walker to Waco and he bought the best equipment that could be had. The Pee Wees have not lost a single game and have been scored on only once or twice. In a sports review broadcast by all net works the story was told by a widely known sports commentator. The Gause kids have rocketed to fame and so have the people of that community who didn't stand back when their youth called to them for a wholesome athletic program.

Charlie Barrett of Corpus Christi visited his sister Mrs. Susie Matthews over the week end. Mrs. Barrett who visited here the past week returned with him.

Mr. and Mrs. Buster Hobson and Mrs. Chester Hobson were in Austin Saturday and attended the football game with friends.

R. A. McLane is a patient in St. Edwards Hospital for treatment. His many friends in Cameron wish him a speedy recovery.

Mrs. R. P. Holloway of San Antonio recently visited in the home of Mr. and Mrs. L. H. Hillyer.

Mr. and Mrs. Ed Gunn were in Taylor Sunday visiting Mrs. Gunn's brother and family, B. W. Bownds.

Milam County HD Club Elects Officers

The Milam County HD Council met for a call session in the District Court room in Cameron Friday, October 21.

Eight presidents, nine delegates, the agent, Mrs. Moody and several visitors were present.

Mrs. Bernice Charles acted as chairman in the absence of Mrs. J. B. Sapp.

The business of the meeting was the annual reports of all council officers and committee chairman.

Mrs. George Young gave a report on the trip to Austin with several of the ladies to take articles donated by Milam County Clubs to the State Hospital.

Officers were elected for 1950 as follows: Chairman, Mrs. Bernice Charles: Vice Chairman, Mrs. A. E. McDaniels; Secretary, Mrs. Ulruis Beard; Treasurer, Mrs. Frank Hanel.

For recreation The Forest Grove Club ladies rendered several vocal numbers which were greatly enjoyed.

Norma Gee Lunsford who has been living with her brother and family in Austin and attending High School there has returned to her home in Cameron and is now enrolled in Yoe High School.

Mr. and Mrs. Milton Falkner attended Rosebud-Killeen game at Rosebud Friday night, and the homecoming activities. Mrs. Falkner is a Rosebud high school graduate.

Mr. and Mrs. Frank Horelica, Mr. and Mrs. Frank Barrett and Mrs. Susie Matthews attended the Rodeo in Huntsville Sunday.

Mr. and Mrs. Joe Sheguit, Billy, Dickie and Bobby Scott and Elton Coward visited Mr. and Mrs. Cecil Porter near Caldwell during the past week end.

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

TIGERS UPSET YOEMEN IN HOMECOMING GAME

By GEORGE BABORN
Temple Telegram

BELTON, Nov. 4—"Our new stadium's name is "Tiger Field" and we know Belton teams will always fight like Tigers," some 5,000 homecoming fans heard here tonight at the pregame dedication ceremonies.

And Belton's inspired Bengals lived up to their name with a magnificent performance that upset the favored Cameron Yoemen, 14-13, to knock the visitors out the District 21-A lead. Cameron now must defeat Rosebud next week to win the title, while the Black Panthers, idle tonight, will need only a tie.

The Tigers did it on the flying feet of Royce Boren and Robert E. Lee, the accurate passing of Bill Hays, the bull-like rushes of Wesley Boren, a 204 pound tackle shifted into the backfield, and great blocking and defensive play by ends Bill Northam and Lowden Caldwell, tackle Gary Stringfellow, guards Tom Maples and Allen Cook, and center Royce Symthe.

Belton was never behind, holding a 7-0 lead in the first quarter, 7-6 at half time, and 14-6 with 10 minutes left in the game—but the Tigers were in constant danger by the brilliant passing of Alton Fuchs, who completed 20 of 36 tosses for 217 yards.

Cameron also got fine line play from tackle Melroy Eixman, guards Billy Neely and Louis Hollas, and center Gordon Gibson and good backfield performances from Eddie Lankford, Jimmy Thompson, Charles Michalka, and pass-snatching Frank Malone—but it just wasn't the Yoemen's night.

Fired up by the dedication speeches during which they stood at parade rest along with the Belton band and pep squad, the Tigers scored the second time they got the ball. Unable to gain after receiving the opening kickoff, the Tigers backed Cameron up to their own 27 on Boren's fine 52-yard punt. After Lankford had picked up a first down, he fumbled and a whole flock of Tigers recovered on the Cameron 43.

Lee rounded end for nine yards, and after a penalty had set the Tigers back temporarily, Boren carried twice for a first down on the Cameron 27. Miller cut inside end for five more, and then Miller tossed a short pass to Boren behind the line of scrimmage, Boren getting to the 13.

Boren fought his way through guard for six yards, but Cameron stiffened and it was fourth down and one to go. Hays crossed up the Yoemen by throuwing a perfect pass to Northam, who had sneaked into the end zone and scored easily. Boren split the uprights to give Belton a 7-0 lead after eight and a half minutes.

Early in the second quarter the Tigers had another chance to score when Fuchs fumbled a fourth down punt attempt and was smeared on the Cameron 25. But two plays later, the Yoemen got the ball back when Lee fumbled on the 31.

From here, Cameron launched a 69-yard drive for a touchdown. Fuchs rounded end for 11 yards and then passed to Malone for 16 yards and Thompson for eight. He was getting beautiful protection on all these tosses. Then he hit Thompson again on the Belton 27.

Drifting far back and starting around end, Fuchs connected with Lankford on a long pass to the Belton six. Fuchs drove to the two and Michalka reached pay dirt on a quarterback sneak. Glenn Rosenberg's placement was wide and Belton still led by one point.

With four minutes remaining in the first half, Cameron began moving again from its own 47 after a poor out-of-bounds punt. Fuchs' passing again sparked the drive. First he hit Malone for 14 yards and then found Thompson on the Belton 28. After two incomplete tosses, Fuchs heaved to Malone on the 13. Fuchs rammed through tackle for eight yards as the half ended.

During the intermission, the Cameron band gave a realistic imitation of three airplanes, complete with the sound of droning motors, with the stadium lights turned off, and the Belton band and pep squad acted out a parody on Coach Carl Bage's brand new baby boy born Friday. The "baby" wore a football uniform and seemed eager to play.

The second half opened with an exchange of long punts, one of them a 47-yard beauty by Fuchs out of bounds on the Belton 13. Then Boren intercepted Fuchs pass and returned it 35 yards to midfield. Hays passed to Caldwell twice for 12 yards each time and then tackle Wesley Boren shifted his 204 pounds into the backfield and battered the Yoemen three times, but barely missed a first down on the Cameron 13.

After another exchange of punts, the Yoemen seemed to be headed to paydirt as Fuchs passed to Michalka for 25 yards and then ran to the Belton 37 when he couldn't find a receiver. But he fumbled on the next play while smeared attempting to pass, and the Tigers recovered on the Belton 47.

From here the Tigers marched to their second touchdown. Hays passed to Caldwell on the Cameron 21 and then hit the 150-pound Boren in the clear on the 10. Boren raced across untouched and Lee converted to give Belton a 14-6 lead with 10 minutes left to play.

The Tigers were rolling along smoothly midway through the last quarter when they made the mistake of passing, Fuchs intercepted on the Cameron 29. The Yoemen couldn't go anywhere, but got the ball back a few plays later by recovering Boren's fumble on the Belton 38.

Cameron made this drive pay off. Fuchs plunged to the Belton 27 and then passed to Malone on the eight. Fuchs then rounded end and dragged a tackler across the goal line for a touchdown. After two fruitless placekicks by Rosenberg, Fuchs finally rammed tackle for the extra point. Offside penalties against Belton caused all this.

The Yoemen made one last desperate effort. Getting ball on their own 19 with two minutes remaining, they were off again. Fuchs passed to Michalka for 22 yards and to Thompson at midfield. After Michalka made a first down on the Belton 44, Boren inercepted Fuch's long pass and returned it 30 yards to the Belton 38. The game ended one play later and the Belton celebrating began.

STATE WILL SHOW 16 PER CENT INCREASE

WASHINGTON, Nov. 3 — Texas' 1949 population Thursday was estimated to be 7,413,000—a 16 per cent increase over the official 1940 Texas population of 6,389,349.

While Texas' population was increasing 16 per cent, the national average was advancing 12.4 per cent, according to the Census Bureau estimate on July 1, 1949 population.

The new Census Bureau figures indicate that Texas will remain sixth among states when the official census is taken next year. Ohio, which was in fifth place in 1940, was estimated to have 7,980,000 people in 1949—a 15.6 per cent increase over 1940. New York is biggest among the states, with Pennsylvania, California, Illinois, Ohio and Texas following in that order.

The Texas 1949 population estimate of 7,413,000 does not include military personnel in the state. If they are added, the Texas population would have been 7,532,000 on July 1 of this year the Census Bureau estimated. The estimate is the last which will be made before the 17th national census is taken next April.

INTRODUCING

Jimmy Lane, baby son born to Mr. and Mrs. Orvin Eixman of Cameron. The baby was born Saturday, November 5, 1949, at Newton Memorial Hospital and weighed four pounds and eight ounces. The mother is the former Johnnie Donahoe. Grand parents are Mr. and Mrs. Bruno Eixman and Mr. and Mrs. Archer Donahoe of Wilson. Both mother and baby are of Cameron and Mr. and Mrs. Archer Donahoe of Wilson. Both mother and baby are fine.

INTRODUCING

Sharon Ann, six pound ten ounce baby girl born to Mr. and Mrs. H. J. Hanel November 3, 1949 at the St. Edwards Hospital. Mrs. Hanel is the former Doris Powell. Grandparents are Mr. and Mrs. Frank Hanel of Route 3, Cameron and Mr. and Mrs. O. B. Powell of Cameron .

ANNOUNCING

Mr. and Mrs. Hilmer Von Quintus announce the arrival of a son born at the St. Davis Hospital in Austin, October 26, 1949. He has been named Robert Eugene. Mrs. Von Quintus is the former Miss Jean Pfarrdrescher. Grand parents are Mrs. Alice Pfarrdrescher of Corpus Christi and Mr. and Mrs. Louis Von Quintus of Austin.

18 Young Men Are Eligible for Duty With Armed Services

Local Board No. 92, Selective Service System, reports the names of 18 young men who, during the month of October, became of age to register as follows:

Ernest Vogelsang Batte, James Donald Crayton, Cornelius Ellis Talafuse, Thomas Walter Blocker, Clifford Garland, Grady Ray Gibson, Douglas Wayne Holley, Eugene Emil Marak, Staley Murrell Cryer, Cecil Ray Kornegay, Joe John Kral, Loye Lee Hairston, Antone Joe Menn, Elmo Nealy, Jr., Ernest Lee Osband, Francisco B. Olivarri, Floris Herman Fuchs, Billy Gene Whitaker, Donald Monroe Kaatz.

Under the rules and regulations of the Selective Service Act of 1948, all young men who attain the age of eighteen years are required to register. Contrary to popular belief, the draft law is still in effect and the requirements to register for the draft must still be followed.

All men who have been released from service, and who are under the age of 26 years, are also required to register.

PECAN HARVESTING

Each year at harvest season the question of getting the pecans off the trees and into the sack becomes a problem. Many Texas pecan growers have been using various types of tree shaker equipment and sheets underneath the trees to help get the pecans on the ground. The next step is getting the pecans out of the leaves and trash that comes down in the shaking process.

F. R. Brison, Professor of Horticulture at A&M College, has been working on some simple equipment that will clean the pecans, separating the nuts from the trash and leaves. Mr. Brison and Mr. J. F. Rosborough, Horticulturist for the Extension Service, put on a demonstration at the Brison farm on the Little River, between Temple and Holland, on Nov. 1. J. D. Moore, County Agent, and L. R. Thompson, Yoe High Agriculture teacher, attended the demonstration. The tree shaker is a simple one-cylinder piston arm attachment which is mounted on the front of the tractor frame and is pulled by a belt running back to the tractor pulley. A cable is attached to the piston arm and extends up in the tree and is attached to a strong limb. The rotary motion of the piston arm shakes the tree limbs and the pecans fall on large sheets spread out on the ground around and under the tree. The strong shaking brings down a lot of small dead limbs, leaves, and pecan hulls as well as the pecans. A hand-made cleaning and hulling machine was used to separate the pecans from the trash. This machine works on the same general plan that of the peanut and grain thresher separators. The pecans and trash are poured into a feeder box which is mounted on rocker arms. The pecans fall through the wire slatted floor due to the shaking motion of the rocker arms. The trash is retained in the feeder box. Below the feeder box is another tray mounted on rocker arms which are elevated at one end to cause the pecans to travel across the slatted tray. The metal slats are spaced so the hulled pecans will fall through and the unhulled pecans will pass over the slats into a container. Those unhulled pecans are poured into a huller made of two upright frames about the size of a common wash rub-board. The two frames are made of welding rods spaced about one and a fourth to one and one-half inches apart, running horizontally across the frames. The frame is wide enough at the top to form a hopper and gets narrow at the bottom, leaving just enough space at the bottom for a hulled pecan to pass through. Each side of the frames are attached to a rocker arm which works the frames directly up and down, dependent of each other. As the unhulling pecans work down the hopper-type frames ,the rubbing up and down motion of the metal rods tear the rulls from the outside of the pecan. The pecan and hulls fall down into a box and are run back through the cleaning machine where the hulls are separated from the pecans.

Mr. Brison pointed out that although the machine was far from the perfection stage, two men, using the machine, were harvesting around 900 pounds of pecans per day, working short hours because of the heavy dew in the bottoms each morning. This figure is compared to about 300 to 400 pounds average for two men harvesting pecans by hand. As soon as a few improvements are made in the cleaning machine, A&M College plans to make blueprints of the equipment for distribution in the Pecan Counties.

Bundles For Peace Program Here Friday

Bundles For Peace program will be given at 3:30 p. m. Friday, November 4 at All Saints Episcopal Church.

Mrs. O. B. Hardin will direct the program, a play and a pageant.

The bundles will be blessed and then shipped to concentration center for destination to war torn countries.

Mrs. R. L. Lemons is Chairman of the Cameron Council of Church Women, sponsoring the bundles campaign.

Certain insects attain far greater speed than even the fastest birds.

Milano Chapter Observes Home Makers Week

Governor Allen Shivers designated the week October 30-November 5 as Future Homemakers of America week.

The Milano Chapter made plans for the week which include: making a chair, help in the lunchroom, beautify the school grounds, put on a program for the elementary school, program for High school assembly and transplant native shrubs about the homemaking building.

The girls who are on various committees are: Bennie Pinkerton, Jo Ann Beavers, Dorothy Posival, Nellie Jean Kirk, Johnnie Perdue, Leslie Wall, Barbara Eiland, Earline Pratt, Faye Lewis, Maribeth Fisher, Dolores Blackman, Bobbie Haddox, Betty Morgan and June Pruitt.

Geneva Hurt, Ann Jean Baskett and Barbara Hartley are on the publicity committee.

In addition to these plans the new members of the club are going to learn the Future Homemakers ritual, the purposes of the National organization, the creed and the local goals.

Anna Jean Baskett, Reporter.

Ed McGuire of Rockdale was in Cameron on business one day this week.

Mary Alice Jackson, daughter of Mr. and Mrs. Fred Jackson, Sr., has returned to her home after being a patient at Newton Memorial Hospital.

Brenda Kirk, daughter of Mr. and Mrs. Dutch Kirk is a medical patient in Newton Memorial Hospital.

A. W. Lange of Buckholts was a welcome visitor in Cameron Monday.

Betty Jo Brashear of Houston who was recently injured in an auto accident has returned to her home after being a patient at Newton Memorial Hospital. She is reported much improved.

WHAT TO DO— before the doctor comes!

An important thing to do before the doctor comes —is to save some money to pay for him!

Because you know illness usually means extra, unexpected expenses.

And the easiest, safest, surest way to save money, for illness or any other emergency that might unhappily befall you, is this:

Buy U. S. Savings Bonds on the automatic Payroll Savings Plan. Or . . .

If you're not on a payroll, ask your bank about the Bond-A-Month Plan.

Think of it! Every $3 you put into U.S. Savings Bonds today will be worth $4 in 10 years.

And just in case you never have to touch your Savings Bonds for illness or any such emergency —remember, they'll come in mighty handy someday—when you want to travel, retire, or fulfill any of your lifelong dreams.

Automatic saving is sure saving - U.S. Savings Bonds

GILES JORDAN FACING TRIAL FOR SHOOTING

Giles Jordan, 45 year old Gause white man, under indictment for murder in connection with the shooting of Ferrias Ferguson, 39, Gause negro on July 18, will face trial here Monday, November 7.

A special venire has been ordered in the case. Jordan was released in Justice Court at Milano on a bond of $10,000 by Justice Hensley after he had remained in jail here for some time.

Jordan will be represented by Camp & Camp and the state will be represented by Ed Gunn, county attorney.

Ferguson was shot to death on the main street of Gause by Jordan as the negro emerged from the Ely store with some ice to go to the railroad tracks where he was to begin his duties as a member of the section gang that day.

So far as known neither of the men spoke before the shooting and the cause of the killing is not known. This information will be one of the developments in the trial.

According to officials here Jordon has been a resident of Gause for the past 35 years and is currently employed by the Ditto garage.

According to details given by officers and witnesses to the shooting, the negro, who is employed by the section gang of the railroad, was sent to the J. A. Ely store early Monday morning to get 50 pounds of ice for the water keg for the gang getting ready to go out on the rails for the day. While at the store Ferguson bought some groceries. He held the groceries in one hand and carried the ice in the other. As he stepped out in the street Jordan was walking in the street with a 12 gauge shotgun and fired on the negro. The charge knocked Ferguson down. He got up and tried to escape but was shot a second time and died within a few minutes.

Mrs. Walter Harris and Verna spent Sunday visiting in the home of Mr. and Mrs. Vernie Miller of Ad Hall.

Otis Miller, Professor of Journalism at A&M College and Gordon Gay, Assistant Director of A&M College Y. M. C. A. attended the Methodist District Conference held in Cameron Monday .

Mrs. R. B. Rylander had an operation at a Marlin Hospital Tuesday and is reported resting well. Her many friends wish her a speedy recovery.

PREIDENT LAYS DOWN 1950 CAMPAIGN PLANS

ST. PAUL, Minn., Nov. 3—President Truman renewed his appeal to the people tonight for support of candidates favoring his "fair Deal."

A throng in the civic auditorium cheered with campaign-like fervor his attack on the "propaganda of the reactionaries."

The President, talking the language of the campaigner of 1948, praised the Democratic 81st congress for putting an end to what he termed "the calamity" of the Republican 80th and reversing the "backward trend."

The address, before a crowd estimated at 12,000, climaxed a whirlwind parade through the twin cities of St. Paul and Minneapolis. Police officials said upwards of 400,000 persons lined the route.

It was on the anniversary of the day he received notice in 1948 that he had been elected President.

Mr. Truman described his speech in advance as "of a bipartisan nature which will be entirely satisfactuory to the Democrats in Minnesota."

That was at a banquet in which he sat at the speakers' table with Republican Gov. Luther W. Youngdahl, one of his hosts throughout the day and at tonight's major speech.

Mr. Truman predicted victory in 1950 for candidates for congress holding views like his own.

He said he was certain the people will express themselves as they did in 1948, "and even more clearly in favor of progress and against reaction."

"I am not too much worried by those who oppose these policies," the President went on.

"Between the reactionaries of the extreme left with their talk about revolution and class warfare, and the reactionaries of the extreme right with their hysterical cries of bankruptcy and despair, lies the way of progress.

"Between these two extremes, the main stream of American life rolls steadily onward toward a better world."

Mr. Truman did not list what "Fair Deal" proposals he expects the 81st congress to enact at its next session.

But he made it clear that civil rights propsals, a national health program and federal aid to education were still high and on his "must" proposals.

The free-swinging President gave a review of the personal stumping tour he plans next year in behalf of Democratic candidates.

"The people will not go back to the day when their destinies were controlled by tight little groups of selfish men who made their policies in secret and exercised control over millions," he declared.

"They understand that a growing country like ours can provide increasing prosperity and freedom for all its citizens. They propose to see that this is done.

"And with God's help it will be done."

The President made no reference to troubles besetting him at Washington by the steel and coal strikes, the quarrel in the armed services or the anticipated $5,500,000,000 federal deficit.

He set out for "Fair Dealers" this 12-point creed:

1. "We believe that there will be more prosperity for all if all groups have a fair share of the wealth of the country . . .

2. "We believe that it is the federal government's obligation, under the constitution, to promote the general welfare of all our people—not just a privileged few.

3. "We maintain that farmers, like businessmen, should receive a fair price for the products they sell.

4. "We maintain that workers are entitled to good wages and to equality of bargaining power with their employers.

5. "We believe that small business, and co-operatives, should have a fair opportunity to achieve success, and should not be smothered by monopolies.

6. "We hold that our great natural resources should be protected and developed for the benefit of all our people, and not exploited for private greed.

7. "We believe that old people and the disabled should have an assured income to keep them from being dependent on charity.

8. "We hold that families should have protection against loss of income resulting from accident, illness or unemployment.

9. "We hold that our citizens should have decent housing at prices they can afford to pay.

10. "We believe in assuring educational opportunities for all our young people in order that we may have an enlightened citizenry.

11. "We believe in better health and medical care for every one—not just for the few.

12. "We believe that all Americans are entitled to equal rights and equal opportunities under law, and to equal participation in our national life, free from fear or discrimination."

Carolyn Belt Is Sweetheart Milano Future Farm Chapter

In a stirring campaign conducted by the local Chapter of the Future Farmers of America Miss Carolyn Belt was chosen as their Sweetheart for 1949.

Carolyn is the attractive daughter of Mr. and Mrs. Jim Belt and grand daughter of Mr. and Mrs. Arthur Belt.

She has spent her entire school life in Milano school and is a great favorite with all the students and teachers.

By her charming disposition and her outstanding success as a student she merits this recognition.

Mr. and Mrs. Bill Storey spent Sunday in Austin visiting their son and family Mr. and Mrs. Clayton Storey and the new grand baby. Galene Kay was born Sunday, November 6, 1949, and weighed six pounds and ten ounces. The Storey's have two other children. C. T. and Nettie Mae. Mr. and Mrs. Byron Farr of Houston were also visitors in the Ctorey home and Mrs. Farr remained for a longer visit.

Mrs. Edwin Adams and daughter of Buckholts visited in Cameron last week.

OBSERVANCE EDUCATION WEEK NOVEMBER 6-12

"Making Democracy Work" is the theme chosen for American Education Week, November 6-12, 1949. Through the combined efforts of four National sponsors it is hoped that the theme will be brought into the hearts and minds of every citizen.

The National Education Association is a voluntary organization of 400,000 educators who work together cooperatively to advance the interests of teaching profession, promote the welfare of children and foster the education of all the people.

The Amercan Legion was instrumental in the founding of American Eduational Week. The Americanism Commission of the Legion, through its National, State and local officals is responsible for the Legion's American Education Week activities.

The National Congress of Parents and Teachers became a fourth sponsor of American Education Week in 1938, The Arganization is now carrying on a nationwide Four-Point Program, emphasizing activities in school education, health, world understanding, and parent and family life education.

The following pupils from the Art Department of Ada Henderson school, under the direction of Mrs. Charlie Nabours, contributed their part to American Education Week by making posters to be placed in down-town windows:

Edward Brady, G. Childress, Marie Hearne, Jane Henderson, Ann Hinyard, Dick Jenness, Leon Koenig, David McLane, Albert Small and Shirley Wilson.

INTRODUCING

Michael David Jackson, son of Mr. and Mrs. Fred L. Jackson, born Tuesday, November 1, 1949 at Newton Memorial Hospital. He weighed six pounds and one ounce at birth and is their second son. Fred, Jr., is now two years old. Fred L., papa Jackson, was handing out cigars Thursday. Mrs. Jackson and baby are doing fine.

Mr. and Mrs. A. D. Mims and Mr. and Mrs. A. L. Burdette and sons of Houston visited Mr. and Mrs. Ed Tindall and family Sunday.

Red Cross Meeting Stresses Voluntary Service Class Program

A Red Cross Orientation meeting was held at the home of Mrs. Grady Stidham, Friday at 2 p. m., with Miss Genevia Voss, Executive Secretary of the Red Cross Chapter in Bell County explaining the State and National phase of the voluntary Service classes held at McCloskey Hospital recently.

Mrs. Agnes Lowe, Executive Secretary of the local Chapter was also one of the speakers.

Those attending were Mesdames Wells Smith, J. V. Eanes, John Ryan, J. M. McLean, S. E. Brogdon, H. C. Tindall, G. A. McDermott and Miss Alice McGhee, all of Cameron and Mrs. J. D. Lewis of Buckholts.

In addition to the above who attended classes at McCloskey Hospital were Mrs. Roy Griffith and Mrs. J. H. Angell of Cameron, Mr. and Mrs. B. M. McMillion, Mr. and Mrs. C. S. Raney, Mrs. J. W. Meyer, Mrs. Tall Woodward and Mrs. Grover Williams of Buckholts.

Mr. and Mrs. Albert Schlemmer of Belmena have moved to Cameron to make their home. Mrs. Schlemmer is managing the Airport Tourist Courts.

UNION PENALIZED OVER MILLION WAS UPHELD

WASHINGTON, Nov. 7—The Supreme Court Monday in effect upheld the $1,420,000 contempt of court fines levied on John L. Lewis and the United Mine Workers during a 1948 walkout.

The fines were imposed by Judge T. Alan Goldsborough in U. S. District Court here after Lewis ignored a court order to bring the strike to a prompt end. Lewis was fined $20,000 and the union $1,400,000.

Attorneys for Lewis and the union appealed to the Supreme Court to review Goldsborough's ruling and set aside the fines. But the court denied a review by a 5-3 vote, thus letting the ruling stand unchanged and in effect upholding it.

The court's decision was announced in a brief order which said Justices Black, Reed and Douglas dissented. Justice Clark took no part.

That meant that Chief Justice Vinson and Justices Frankfurter Jackson, Burton and Minton voted to uphold the fines.

GEORGE BROWN

New Communication Marvels Are Shown By Telephone Co.

A "telephone journey" from Austin to Boston was described and illustrated Nov. 1st by George Brown of the Information Department of the Southwestern Bell Telephone Company in a talk before The Cameron Lions Club.

Some of the newest developments in communications were demonstrated by Brown, who recently returned from the Bell Laboratories in New York. The speaker sent speech and music through space over mysterious microwaves which were vibrating billions of time as second. He reflected the waves into the "electric eye" of a portable receiver and concentrated them with a magnifying glass, causing a light to burn and bells to ring.

The transistor, newest and most revolutionary communications discovery in many years, also was put through its paces. Not much larger than a shoe lace, one transistor was made to oscillate, producing musical tones, while its "twin brother" amplified the sound as much as 100 times in volume.

"The transistor," Brown declared, "has many advantages over the vacuum type tube. It requires no warm-up time, and therefore acts instantly when switched on; it is much smaller and requires less space; it is made of metal and is far more durable; it is less expensive to manufacture; it plays the dual role of an oscillator and an amplifier. Smaller hearing aids, new and better long distance amplifying units, and perhaps even a two-way wrist radio like Dick Tracy's may be possible when the transmistor is perfected."

The "Journey With Your Voice" program was brought to Cameron by C. L. Carson, Manager of the Southwestern Bell Telephone Company.

Here and Now

True, folks are shopping. Why not? They go where they are invited and that brings us to the obvious fact that in modern day selling Advertising is without a Peer as a Salesman.

Seldom have merchandising opportunities been greater than at this time.

All factors are favorable. Buying power is high and merchandise is plentiful in the main.

Your newspaper maintains an advertising service for your benefit without cost to you. There is no better time than now to use it.
